

Signature Facials

We believe it is not necessary to use harsh ingredients to improve the condition or quality of your skin. Therefore, our treatments are progressive, not aggressive. Each facial is customized specifically for your skin's needs. There are no cookie cutter plans! We offer individual facial treatments as well as 6-8 week treatment plans to address chronic issues that you haven't been able to resolve on your own.

We proudly use Skin Script™ products, a clinical product line that specializes in fruit-based, corrective skin care for all skin types and ethnicities. The products are chirally correct, based in natural ingredients, and enhanced by the latest in skin care science.

Choose from one of our Signature Facials:

Raspberry/Peach Facial – For all skin types - The Raspberry/Peach Facial is gentle, yet packed with antioxidants for an anti-aging facial for all skin types creating a healthy glow to the skin. Raspberry soothes skin irritations and reduces inflammation while peach and hibiscus flower soften and moisturize the skin.

Lemon Zest Facial –For aging, normal to dry skin, hyperpigmentation, sun damage - The Lemon Zest Facial exfoliates and brightens the skin with the antioxidant and brightening benefits of lemon, arbutin, lactic acid, glycolic acid, and kojic acid. It promotes deep hydration that protects from environmental damage while relieving the surface signs of aging. Arbutin and kojic acid provide extreme brightening capabilities.

Passion Fruit Facial (with Kollaren Firming Peptide) - Skin in need of firming. Not recommended for sensitive skin -The Passion fruit Facial is meant to increase blood circulation and firm the skin. Passion fruit is a natural enzyme, as well as a great antioxidant to give the skin a healthy glow. Kollaren peptide increases resiliency and elasticity in the skin by supporting the dermal tissue strength provided by collagen types I & III.

Pumpkin Orange Facial – Aging, normal / combination skin. Not recommended for sensitive skin -The Pumpkin Orange Facial is packed with Vitamins A and C. It will exfoliate and reduce oil while you enjoy the wonderful smell of pumpkin and orange. The pumpkin enzyme dissolves dead skin, while orange provides a beautiful glow to the skin. May cause mild flaking or peeling.

Our Signature Facials are 60 minutes and include the following steps:

1. Skin consultation – our skincare therapists will listen to your concerns and create a customized facial to best treat your skin.
2. Cleansing and Skin analysis – we will examine your skin under magnification and share with you what we see
3. Exfoliation – This step is important because it removes dead skin cells, nourishes the skin and prepares the skin for the treatment masque
4. Extractions, if needed
5. Facial massage – stimulates blood and lymph circulation
6. Masque – One of the following masques is selected based on your skin analysis:
 - **Goji Berry Yogurt Masque** – Goji berry helps in rebuilding by stimulating new cell growth and reducing the appearance of fine lines. Yogurt moisturizes and soothes the skin.
 - **Seaweed Masque** – Seaweed is full of lipids, proteins, minerals, and vitamins which absorb to moisturize and nourish the skin. Also contains chamomile to reduce inflammation and calm sensitive skin.
 - **Tea Tree Kaolin Masque** – Kaolin clay absorbs excess oil and refines pores. Tea tree oil is antifungal and antibacterial.
7. Toner – adding crucial water to skin prior to moisturizing
8. Serum, moisturizer, and sunscreen – nourishes, locks in moisture and protects the skin from UV damage.

In addition, all facials include neck, arm, and hand massage rejuvenating your body, leaving you refreshed, relaxed, and ready to take on the world!

***Note:** Please discontinue use of products containing retinoids such as Retin-A or Renova, 7 days prior to your appointment because of the potential for increased skin sensitivity. If you have used Accutane® in the last year, please consult with one of our Skin Care Therapists prior to booking your appointment.
